TE OMANGA GARDEN OF APPRECIATION

Supported by
Te Omanga Hospice, Hutt City Council and
the Rotary Club of Hutt River Valley

The Garden of Appreciation is a joint community project between Te Omanga Hospice, Rotary Club of Hutt River Valley and the Hutt City Council.

Since its inception in November 2005, it has enjoyed the support of families who are looking to create a permanent tribute to a loved on or to commemorate a special event of memory.

Located in Bracken Street, Petone, the garden has increasingly become a popular space for those wishing to spend time in remembrance and reflection, or even to enjoy a family picnic together.

Engraved bricks are laid along pathways in the garden, each one a lasting reminder or someone or something special.

Brick orders typically close around the end of September: Each year, usually in November, we hold a special ceremony to lay the engraved bricks in the garden. Everyone who has purchased a brick will be invited to attend the ceremony.

■ PURCHASING A BRICK Name	
Address	
Phone Mobile	2
Email	
■ PERSONALISED BRICK \$150	
What would you like engraved on the brick?	
Please print clearly in BLOCK LETTERS. Each square to the right is ONE letter, number, space, punctuation or icon (48 max).
